

Classic Motels Along the Eastern Half of Route 66

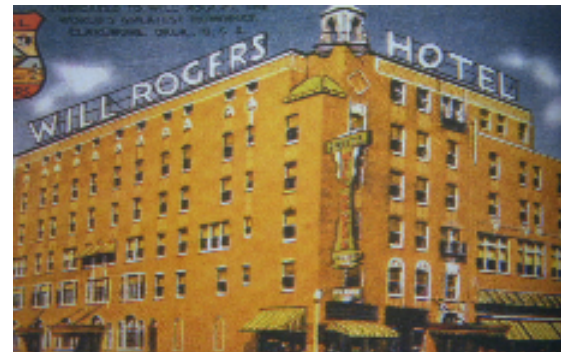

We will be staying at many original motels on our tour of Route 66.

The Wagon Wheel Motel in Cuba, MO has been recently renovated.

We are not staying at the old Jerico, Texas motel or the Will Rogers Hotel in Claremore, OK but we can visit them and see these classic old buildings.

The Munger Moss Motel in Lebanon, Missouri is one of the best original motels still in business on Route 66.
