

Cyclists with the Pacific Atlantic Cycling or PAC Tours made a pit stop at the Durant baseball field on MS Highway 12 Saturday afternoon, May 30. The peddlers trekked from Monticello, Arkansas through Lexington on their way to Kosciusko for the day's end. The tour is taking 16 riders a total of 2,754 miles from San Diego, California to Tybee Island, Georgia. Crew and support members on hand said riders completing 100% of this ride would be qualified for Race Across America. The heavy rains on Saturday motivated participants to "finish early," according to crew members. For more information about the tour go to www.pactour.com.
